

Commercial Heat Pump Project: Rebate Commitment Letter

National Grid, a proud sponsor of Mass Save®, is excited to provide Middlesex Canal Museum with a Rebate Commitment Letter for the following commercial heat pump project:

PROJECT SUMMARY	
Project Installation Location Name	Middlesex Canal Museum
Project Address	2 Old Elm Street, Billerica MA 01862
Square Feet Covered by New Equipment	5200
Estimated Project Completion Date	11/1/2023
Total Rebate Amount Authorized	\$40,250
Authorization Date	8/4/2023
Authorization Expiration Date ¹	8/4/2023

PROJECT CONTACTS	
Primary Contact Name	Marc Amorelli
Contact Email	marca@nectowers.com
Contact Phone Number	978-649-6001

EQUIPMENT SUMMARY				
Pre-existing Heating Fuel Type				G
Fully replacing the pre-existing heating system? (Y/N)				Y
If partially displacing pre-existing system*:		Integrated Control Model #		
Equipment Type	AHRI Reference # (or make/model)	Tonnage	QTY	Rebate
VRF	203376924	11.5	1	\$40,250
Project Totals		11.5	1	\$40,250

*If partially displacing an existing oil, propane, or natural gas heating system, an integrated control model number must be included or must certify that an existing building control system will be operating both the heat pump and the existing heating system.

To be eligible for the rebate payment, equipment must be installed at 2 Old Elm Street, Billerica MA 01862, and documentation must be submitted by 8/4/2024. Failure to install all equipment as approved by this date may disqualify or reduce rebate payment.

For more information on commercial rebates, eligibility, and for a customer to submit for the rebate after installation, visit MassSave.com/CIHeatPump. Please note that equipment installation may be subject to onsite verification. See the Terms & Conditions listed on the [2022 Commercial Heat Pump Rebate Form](#) for full requirements. The equipment above may not receive an incentive through another Sponsor offering.
